

2015 SWIFT ESCAPE RANGE

If you're looking for a great value new motorhome, then look no further, the Escape range is one of the UK's best selling motorhomes for a reason. With Fiats new cab and sleeker exterior styling, with white gloss corner cappings and side skirts, they look even smarter on the road. Specification has also been enhanced, so if you're looking for your first new motorhome or just amazing value there really is no better choice.

### STRONG

The new Strong timberless body frame uses 'PURE', a tough, hard polyurethane based product, that is totally impervious to water and has been proven through use.

### MODERN

The SMART construction system uses Modern materials and also has been developed to ensure the exterior profiles maintain the Modern desirable looks our motorhomes are renowned for.

### AERODYNAMIC

We continue to lead the way in Aerodynamics using Computational Fluid Dynamics to help shape the bodyshell for better fuel consumption.

### RESILIENT

All fixings are made into the 'PURE' material to a pre-defined depth. 'PURE' is totally impervious to water and has no veins. This means there is no passage for water from the outer skin to the inner wallboard, making the caravan highly Resilient to moisture.

### TESTED

Extensive safety and durability Testing at the Millbrook track, cold chamber Testing down to minus 15°C and sled crash Testing puts prototypes through conditions most products will never have to experience in a life time; all part of the Swift Ethos to deliver the best products to you.

**SMART**

## BUILDING SMILES THE SMART WAY NEW INTELLIGENT MOTORHOME CONSTRUCTION

As the UK's leading leisure vehicle manufacturer, the Swift Group undertakes what is probably the most extensive research and testing program in the industry and we are constantly looking at new and better ways to construct our products.

SMART is our new intelligent construction system that is being launched across our entire coachbuilt motorhome ranges. The result is a more durable motorhome that is highly resilient to moisture, all designed to give you a lifetime of SMILES.

Note : Black metallic finish only on Bolero and Kon-tiki ranges

## SWIFT GROUP 2015 EXCLUSIVES

Swift Group is excited to promote a range of exclusive partnerships:

Glamour Shield is the UK's official provider of Supagard™ paint and fabric protection solutions to the leisure vehicle industry and the only provider recommended by Swift Group. Supagard™ is only available as an optional extra.

TRACKER Retrieve has been chosen exclusively by Swift Group since 2013 to be fitted to all its motorhomes as one of the most effective tracking systems available. With 20 years' experience it is the only vehicle tracking company supported by all UK police forces, therefore providing unrivalled protection. Powered by its own battery it is ideal while the vehicle is in use or in storage.

All TRACKER's stolen vehicle recovery (SVR) solutions use Very High Frequency (VHF) technology which offers the ultimate level of security, enabling police to locate stolen motorhomes even when they are concealed in containers, lock-ups, underground car parks or shipped abroad. Its technology is used by all police forces in the UK, confirming the power of TRACKER's SVR solutions.

**impala**  
just wipe it

'Impala' is a luxury upholstery fabric that combines a soft velvet feel with outstanding cleaning results and exceptional durability and is again only available as an option on Swift Group motorhomes.

Swift Group is delighted to have secured exclusivity to fit the Duvalay Duvalite mattress in its fixed bed models to give customers the ultimate nights sleep.
